Upcoming Presentations: Colleen reminded the team Monika from Fortifi Bank will present on scams/bank fraud when meetings return to in person. Colleen asked the team to reach out if they thought of people/organizations of interest.

Discussions:

Stories, Successes, and struggles: Colleen brought up a couple of cases she has worked on recently. Discussed the case of a veteran who had an adult son and his family living with him. The Veteran wanted his son to move out and he refused. They had an altercation where law enforcement was involved, and the veteran was arrested. This allowed the son certain victim rights which resulted in the father not being able to return to his own home. Veteran's Service Officer and APS met with the Veteran and both were able to help with some short-term hotel stays. An attorney is now involved with evicting the son. Briefly discussed another case involving potential financial abuse by a rep payee.

Agency Updates: Janet discussed some upcoming events through the Alzheimer's and Dementia Alliance of Wisconsin. County buildings remain open and in person appointments are continuing to occur. My Choice and Inclusa continue to meet in person with their members.

Community Outreach: I-Team Recruitment. Please think about your community contacts and invite them or refer them to Colleen for more information about the ITEAM.

Next Meeting: November 9 @ 9AM

Suggested Agenda Items: None, but the team was encouraged to contact Colleen with any items prior to the next meeting.

The meeting was adjourned at 9:35 am.
