## **\*NOTICE TO CUSTOMERS OF ADRC OPEN ENROLLMENT REVIEWS\***

The ADRC will assist you in exploring your drug plan options by using the plan finder tool on Medicare's website, [www.medicare.gov](http://www.medicare.gov). If you have worked with a benefit specialist in the past, we may have your mymedicare account information. We can help you create an account if you are new and would like a mymedicare account.

The ADRC's role is to provide you with assistance, information, and guidance so that you can choose the plan you feel is best for you. **The ADRC cannot and will not choose a plan for you.**

Accuracy of results depends upon information provided by the Part D plans on Medicare's website and information provided by you on this form. The Medicare website is subject to revision and/or error. The drug prices are approximate and total year costs are estimates.

If, after reviewing your drug plan options, you wish to enroll into a new plan for next year, the ADRC will complete the enrollment process for you, provided you have given consent. Enrollment can happen in person, over the phone or using Microsoft Teams.
